## Education

Florida State University, FI 32304 - Spring 2027

Computer Science BS - Undergraduate

Park Vista High School 33467 - High School Diploma May 2023

Unweighted 3.8 gpa | weighted 4.8 gpa

## Experience

Junior Developer

May 2025 - current

Lucas Von Hollen [lucas.vonhollen@cci.fsu.edu](mailto:lucas.vonhollen@cci.fsu.edu) (352) 219-9704

I have just started as part of the 2025 Summer cohort but am currently working to learn C# and Unity in efforts to contribute to Prawemite. My current coding experience is in C++ from school assignments.

Florida State University Housing - Desk Assistant

June 2024 - current

Amanda Sandley [asandley@fsu.edu](mailto:asandley@fsu.edu)

I have worked from Summer B of 2024 till currently without taking a semester off. I have done regular dorm shifts, overnights, and orientation shifts. This allowed me to develop my teamwork and communication skills as each desk has a team of students and also developed my social skills through interactions with the residents. My adaptability and resourcefulness has developed having dealt with unique situations that required me to analyze and provide solutions that follow protocol to the best of my abilities while still being adjusted on a case to case basis.

## Involvement

Leadership position(s)

Social Chair - DevLUp fall 2025-spring 2026

I will handle the clubs social media presence which mainly consists of their instagram which will allow me to develop my marketing skills.

**Club Involvements:** DevLUp, CHAARG, Girls Gains, WiCS, FSU Innovators
